# REDCLIFF PUBLIC LIBRARY BOARD

### Minutes

March 28th, 2017 7:30 PM

# Vision Statement

The Redcliff Public Library is your doorway to reading, dreaming, and inspiring family literacy.

Attending: Catharine Richardson, Robin Corry, Jackie Hope-Hammel, Jim Steinke, Katherine Rankin,

Valarie Westers, Dianne Smith, Brian Lowery, Matt Stroh, Clarke Storle

Also attending: Tracy Weinrauch, Recording Secretary

Call to order: 7:30 pm

Welcome to Clarke Storle, newest board member

Additions/Deletions to Agenda: loose parts to new business, RISE to new business

Approval of Agenda: Dianne moved to approve the agenda as amended. All in favor. Carried.

**Approval of Minutes for February meeting:** Robin moved to approve the minutes as amended. All in favor, Carried.

Financial Statements for February for information only: Catharine moved for information only. All in favor.

Accounts Payable: Catharine moved for information only. All in favor. Carried.

# Library Manager's Report:

Valarie moved for information only. All in favor.

Correspondence: - SALC report

- Legalave.ca

Shortgrass Clippings

50<sup>th</sup> Anniversary Report – Pens have been ordered, logo has been received and passed onto Tammie to do some finishing touches for the next meeting. Committee will meet soon.

Policies Report - Dianne moved to accept the Volunteer Policy as presented. All in favor. Carried

Financial Report: - Finance committee has met and will meet again on April 25<sup>th</sup>.

Personnel Report: - Nothing to report.

**Needs Assessment Review:** - Suggestions will be taken into account for the plan of service and a revised edition will be brought to the next meeting.

Friends of the Library (FRPL): Mini golf was a success and hopefully we can do it again in November. Catharine moved to accept. All in favor. Carried.

Board Member Recruitment: - We have a full board.

Ongoing Maintenance Projects: - No information on humidifier replacement yet.

ALTA (Alberta Library Trustees Association) Report: - Alberta funding level will remain the same as last year. An email has been sent out to all Alberta library trustees regarding the changes being purposed in the ALTA By-laws at the AGM in April. Matt moved to accept the report. All in favor. Carried.

**Social Media Committee** – The committee has met and the posts for the next 3 months are being worked on.

### Old & Unfinished Business: -

New Business: - Valarie, Chairman of Early Childhood Coalition, is promoting their Loose Parts box and would like to have it set up at the library during Redcliff Days. The coalition is also getting book grain elevators set up in the local communities but is looking for a sponsor for the one in Redcliff. The elevators hold preschool books for a book swap. Any organizations interested can contact Valarie for more information. Brian made a motion to offer support to the organization's project. Dianne moved to accept a motion to support the grain elevator project.

 Discussion around keeping RISE in the budget focused on the amount of programming being offered in a timely manner. Catharine will draft a letter to RISE personnel to discuss the future of RISE and its programming.

- Catharine will make a presentation to council about what we have been up to and future events.

Next Regular meeting: April 25th, 2017 @ 7:30 pm.

Jim moved for adjournment at 8:33 pm.

Chairman

Brian Lowery

# TOWN OF REDCLIFF REQUEST FOR DECISION

**DATE:** May 23, 2017

PROPOSED BY: Manager of Legislative & Land Services/Municipal Manager

TOPIC: Community Newsletter

PROPOSAL: To consider digital delivery of the Community Newsletter

# BACKGROUND:

The Strategic Direction adopted in 2012 by Council identified several initiatives under the focus area Community Engagement and Perceptions. One of those initiatives was for quarterly newsletters to be distributed to the community beginning in January 2013. Newsletters were distributed to all mailboxes as unaddressed ad mail within Redcliff and posted to the Website. Subsequently, to coincide with the distribution of the Community Programs and Events Brochure created by the Community and Protective Services Department it was decided to issue the two documents together three times a year. Redcliff Town Council provided this direction at the Regular Council Meeting held March 11, 2013.

The Community and Protective Services Department has begun distributing, as its primary medium, its most recent program guides through digital means (ie. social media including Facebook, twitter, the Town website, and email). In a span of 4 weeks they have had approximately 1000 views (this is a positive result). In addition, the digital document acts as a living document as it has live links for further information on certain topic/programs.

Administration, for the community newsletter portion incurs a cost of approximately \$900 for printing, folding and mailing in addition staff time to assemble and edit content for each issue.

Administration is putting forward for discussion to move towards combining the Community Newsletter with the Community and Protective Services program guide and making it available digitally through the website, Facebook, email, and other digital means. Limited quantities could be printed and made available at the front counter and potentially at other key physical locations in Redcliff ie: Library.

Other examples as to where the Town is progressing with regard to providing services with a more digital interface include utility e-bills (where the customer receives their invoice through email instead of mail).

To view the new digital community services guide, please see the following link:

http://www.redcliff.ca/community-guide-may-august-2017/

POLICY/LEGISLATION: N/A

STRATEGIC PRIORITIES: Citizen Engagement.

ATTACHMENTS: None

# **OPTIONS:**

 Digitally distribute the community newsletter in conjunction with the community services guide through the Website, social media, email, and other digital mediums with hard copies being made available at key locations throughout Redcliff (this will result in the discontinuing of newsletters as unaddressed ad mail going to all mailboxes in Redcliff).

# TOWN OF REDCLIFF REQUEST FOR DECISION

DATE:

May 23, 2017

PROPOSED BY:

Director of Finance and Administration

TOPIC:

Policy 086, Computer Policy

PROPOSAL:

Review and update Policy 086, Computer Policy

# **BACKGROUND:**

This policy is being reviewed as part of the review process outlined in Policy No. 115, Policy and Bylaw Development and Review Policy. This allows for Administration and Council to review policies on a routine basis to ensure policies are kept current with applicable legislation as well as to stay in alignment with the directives of Council.

The Town of Redcliff provides the privilege of computer use to employees and Council who require the access to assist them in support of the overall business objectives of the Town of Redcliff. This includes access to the Internet, local network access and use of electronic mail.

Policy 086, Computer Policy was put in place for the purpose of providing a guidance to achieve security, reliability and consistency of the Town of Redcliff's computer systems.

After reviewing this policy, the Administration recommends no change to it. The policy has been followed, and the Town of Redcliff's image is properly protected, and its liability limited, internal resources are protected from unauthorized access, and employees Internet use is still suitable and cost effective.

## **POLICY/LEGISLATION:**

Policy No. 086, Computer Policy

### STRATEGIC PRIORITIES:

Policy review is not currently ranked in the Municipality's Strategic Priorities. However, it is an important practice to ensure all policy is consistent and current to relevant federal and provincial government legislation and related regulations, as well as other related Town policy.

### **ATTACHMENTS**

Policy 086, Computer Policy

# **OPTIONS:**

- 1. Approve Policy 086, Computer Policy with no amendment.
- 2. Suggest changes to Policy 086, Computer Policy and have administration draft an amended Policy 086, Computer Policy for review at a future Council meeting.

Opti	ion #1		
suc	GESTED MOTION(S	5):

Approved by Council - September 23, 2013

# **COMPUTER POLICY**

# **BACKGROUND**

The Town of Redcliff provides the privilege of computer use to employees and Council who require the access to assist them in support of the overall business objectives of the Town of Redcliff. This includes access to the Internet, local network access and use of electronic mail. Any reference to the term 'Internet' in this policy refers to an employee's or councillor's access to the Internet, use of electronic mail, network access (both local and global) and any other means in which an employee can access other computers or computer systems.

This policy applies to all Town of Redcliff employees, members of council, fire department volunteers, and contractors who are provided computer use and access by the Town of Redcliff.

The purpose of this document is to provide a guideline to achieve security, reliability and consistency of the Town of Redcliff's computer systems.

# **INTERNET / ELECTRONIC MAIL USAGE**

Although the Internet and electronic mail are a valuable resource, it also exposes the Town of Redcliff and its employees to a variety of risks. Accordingly all aspects of the Town of Redcliff's Internet presence must be carefully managed. This ensures that the Town of Redcliff's image is properly protected, its liability limited, internal resources are protected from unauthorized access and that employees Internet use is suitable and cost effective.

The Town of Redcliff computer systems, networks and all related systems are monitored on a regular basis. This is to ensure compliance with the Town of Redcliff's policies and business code of conduct.

# **POLICY**

- Town of Redcliff personnel must comply with corporate rules and all applicable laws regarding computer use. Users shall be responsible for promptly securing any necessary permission in writing
- Incidental and occasional personal use of the Internet and electronic mail are permitted by the Town of Redcliff during personal time. It must be done in a manner consistent with Town of Redcliff's standards of business conduct. Use of the Town of Redcliff's Internet system for personal profit or gain is strictly prohibited.
- 3. As owner and provider of the electronic mail service the Town of Redcliff reserves the right to read, monitor and audit all users of Town of Redcliff electronic mail

accounts.

- 4. Some activities may constitute a violation as defined under law. Non-compliance of the following may result in a user facing disciplinary action in addition to incurring civil and/or criminal liability:
  - i) Using Town of Redcliff time and resources for personal use and/or gain.
  - ii) Failure or refusal to cooperate with a security investigation.
  - iii) Gaining or attempting to gain unauthorized access to information resources.
  - iv) Using or knowingly allowing another individual to use any computer, computer network, computer system, program or software to devise or execute any artifice or scheme to defraud or to obtain money, property, services, or other things of value by false pretenses, promises, or representations.
  - v) Invading the privacy of individuals or entities that are creators, authors, users or subjects of information resources.
  - vi) Violation of Town of Redcliff or third-party copyright, license agreements or other contracts:
  - vii) Deliberate disruption of Town of Redcliff information delivery systems.
- Electronic mail accounts are assigned by the Director of Finance and Administration or designate. Use of another electronic mail account for Town of Redcliff business is prohibited.
- 6. Purchases made via the Internet must follow the Purchasing Policy (Policy No. 38).
- 7. All Town of Redcliff personnel who are authorized to access the Internet or electronic mail shall sign an Internet, Electronic Mail Access and Personal Data Conditions of Use Agreement. This agreement shall be retained in their personal file.

# Schedule 'A"

# INTERNET, ELECTRONIC MAIL ACCESS AND PERSONAL DATA CONDITIONS OF USE AGREEMENT

This Conditions of Use Agreement sets out Town of Redcliff's guidelines in regards to an employee's access to the Internet. This also includes access to and disclosure of electronic mail messages sent or received by Town of Redcliff personnel with use of the Town of Redcliff's computer systems. The Town of Redcliff respects the individual privacy of its people. However, privacy does not extend to work-related conduct or to the use of the Town of Redcliff provided equipment, supplies or use of the Internet provided by the Town of Redcliff. Users should be aware that the following guidelines will apply to Internet and electronic mail use in the workplace.

The Town of Redcliff computer systems, networks and all related systems are monitored on a regular basis. This is to ensure compliance with the Town of Redcliff's policies and business code of conduct. Any reference to the term 'Internet' in this agreement refers to an employee's access to the Internet, use of electronic mail, network access (both local and global) and any other means in which an employee can access other computers or computer systems.

### **GENERAL**

- 1. Town of Redcliff personnel must be aware that an author's permission may be required to copy, download or distribute (even internally), materials or portions of materials accessed on the Internet. All users shall not use any such materials or portions of materials in reports, articles or other documents without securing the author's prior permission. Proper credit shall be given to the original author(s) when their material is used.
- **2.** Town of Redcliff personnel shall represent themselves and the Town of Redcliff professionally. They must ensure that none of their actions create legal issues, security exposures or damage the reputation of the Town of Redcliff.
- **3.** Town of Redcliff personnel should take reasonable care to ensure the accuracy of any information from the Internet. Data retrieved from external sources may be corrupted, forged or intentionally misleading.
- **4.** Town of Redcliff personnel shall respect the privacy of others. Users shall not copy, access, and modify data or passwords belonging to others without permission.
- **5.** Town of Redcliff personnel shall abide by the terms set out in this agreement, Policy No.86-2010 (Computer Policy) and Procedure No.119-2010 (Computer Procedure).

### INTERNET / ELECTRONIC MAIL USAGE

Town personnel are encouraged to use the Internet as an information source when appropriate. This provides the public with effective, high quality service and also allows for staff development. The purpose of electronic mail is to provide a secure, reliable and efficient method of communications amongst Town of Redcliff employees, members of council, customers and clients.

### MANAGEMENT'S RIGHT TO ACCESS INFORMATION

The Town of Redcliff has installed electronic mail systems and access to the Internet to facilitate business communications. The contents of both Internet access and electronic mail communications are accessible at all times by the system administrator.

# **FORBIDDEN CONTENT**

(Signature of witness)

Personnel may not use the Town of Redcliff's access to the Internet or electronic mail systems in any way that may be seen as insulting, disruptive, offensive by other persons, or harmful to morale. Examples of forbidden transmission include but are not limited to: sexually-explicit material, unwelcome propositions, ethnic or racial slurs, or any other files, images or messages that can be construed to be harassment or disparagement of others based on their sex, race, sexual orientation, age, national origin, disabilities, religious or political beliefs.

# PASSWORD AND ENCRYPTION KEY SECURITY AND INTEGRITY

Personnel are prohibited from the unauthorized use of the passwords and encryption keys of other users in order to gain access to that user's Internet privileges, electronic mail or local network access.

The Town of Redcliff may modify these Conditions of Use when deemed necessary.

# TOWN OF REDCLIFF REQUEST FOR DECISION

DATE:

May 23, 2017

**PROPOSED BY:** 

Director of Finance and Administration

TOPIC:

Review Policy 107, Local Authority Pension Plan Prior Service Buy Back

PROPOSAL:

No Change on Policy 107, Local Authority Pension Plan Prior Service Buy

Back

### **BACKGROUND:**

This policy is being reviewed as part of the review process outlined in Policy No. 115, Policy and Bylaw Development and Review Policy. This allows for Administration and Council to review policies on a routine basis to ensure policies are kept current with applicable legislation as well as to stay in alignment with the directives of Council.

Policy 107, Local Authority Pension Plan (LAPP) Prior Service Buy Back was put in place to allow employees to 'buy back' their probationary (first) year to increase their pension. Once enrolled in the pension plan, each employee will receive an estimated cost from LAPP to 'buy back' their probationary (first) year. This estimate will include an employee portion and an employer portion. If the employee chooses to 'buy back' the probationary year, the Town of Redcliff must contribute the employer portion. The employee must sign the Election to Purchase Service form from LAPP within a set time frame.

After reviewing this policy, the Administration recommends no change to it. This policy has been followed. In the near future, the Administration does not foresee that there will be any changes to this policy.

### **POLICY/LEGISLATION:**

Policy 115, Policy and Bylaw Development and Review Policy

### STRATEGIC PRIORITIES:

Policy review is not currently ranked in the Municipality's Strategic Priorities. However, it is an important practice to ensure all policy is consistent and current to relevant federal and provincial government legislation and related regulations, as well as other related Town policy.

# **ATTACHMENTS**

Policy 107, Local Authority Pension Plan Prior Service Buy Back

# **OPTIONS:**

- Approve Policy 107, Local Authority Pension Plan Prior Service Buy Back with no amendment.
- Suggest changes to Policy 107, Local Authority Pension Plan Prior Service Buy Back and have administration draft an amended Policy 107, Local Authority Pension Plan Prior Service Buy Back for review at a future Council meeting.

APP	ROVED / REJ	ECTED BY COUNCIL THI	S DAY OF	AD. 2017.	

Approved by Council: May 28, 2007

# LOCAL AUTHORITIES PENSION PLAN PRIOR SERVICE BUY BACK

# **BACKGROUND**

It is mandatory for all permanent full-time Town of Redcliff employees to participate in the Local Authorities Pension Plan 'LAPP'. In accordance with LAPP, the Town of Redcliff starts contributing to each employee's pension effective one year from their date of hire.

Employees have the option to 'buy back' their probationary (first) year to increase their pension. Once enrolled in the pension plan, each employee will receive an estimated cost from Local Authorities Pension Plan to 'buy back' their probationary (first) year. This estimate will include an employee portion and an employer portion. If the employee chooses to 'buy back' the probationary year the Town of Redcliff must contribute the employer portion. The employee **must sign** the <u>Election to Purchase Service form</u> from LAPP **within a set time frame**, set by Local Authorities Pension Plan. The employee must then decide a method by which they will pay Local Authorities Pension Plan for the employee's portion. The employee can chose from the options listed on the Election to Purchase form given by LAPP.

# **POLICY**

Employees who buy back their probationary year deal with Local Authority Pension Plan and must comply with all rules and regulations as imposed by the Local Authority Pension Plan Administrator. The Payroll Clerk will assist with completion of forms and assist in setting up a payment schedule for the employee contribution of the buy back. The Town of Redcliff does not contribute or prepay the employee portion of any pension buyback.

# TOWN OF REDCLIFF REQUEST FOR DECISION

**DATE:** May 23, 2017

**PROPOSED BY:** Director of Finance and Administration

**TOPIC:** Review Policy 117, Phase-Out of the Penny Policy

**PROPOSAL:** No Change on Policy 117, Phase-Out of the Penny Policy

### **BACKGROUND:**

This policy is being reviewed as part of the review process outlined in Policy No. 115, Policy and Bylaw Development and Review Policy. This allows for Administration and Council to review policies on a routine basis to ensure policies are kept current with applicable legislation as well as to stay in alignment with the directives of Council.

Policy 117, Phase-Out of the Penny Policy was put in place to carry out the "phasing pennies out of the currency system" required by the Government of Canada effective February 13, 2013. It is also referred to as symmetrical rounding. This system is simply rounding the total of a transaction up or down to the nearest \$0.05 increment.

The Town of Redcliff has followed the policy and applied it to the total of each receipt paid with cash, rounding the total to the nearest \$0.05 increment. Receipts totals ending in 1, 2, 6 and 7 cents are rounded down and totals ending in 3, 4, 8 and 9 are rounded up.

After reviewing this policy, the Administration recommends no change to it. The Town has followed the policy. Administration does not foresee that there will be any changes to this policy.

### POLICY/LEGISLATION:

Policy 115, Policy and Bylaw Development and Review Policy

### STRATEGIC PRIORITIES:

Policy review is not currently ranked in the Municipality's Strategic Priorities. However, it is an important practice to ensure all policy is consistent and current to relevant federal and provincial government legislation and related regulations, as well as other related Town policy.

	2. 3. MITTED BY:		Municipal Manager  DAY OF AD. 201

Approved by Council - January 28, 2013

# PHASE-OUT OF THE PENNY POLICY

# **BACKGROUND**

Effective February 13, 2013 the Government of Canada is phasing pennies out of the currency system. The Federal Government is asking all businesses to adopt a fair and transparent method for rounding cash transactions.

The proposed guideline is referred to as symmetrical rounding. This system is simply rounding the total of a transaction up or down to the nearest \$0.05 increment. There is not a requirement to adopt this method, however the Federal Government will use this method and is asking that all business consider it.

# **POLICY**

# **Rounding Purchase Transactions**

It is the Town's policy that symmetrical rounding will be applied to the total of each receipt paid with cash, rounding the total to the nearest \$0.05 increment. Receipt totals ending in 1, 2, 6 and 7 cents will be rounded down and totals ending in 3, 4, 8 and 9 will be rounded up.

# **Accounting for the Rounding**

The Director of Finance and Administration will develop an accounting practice to account for symmetrical rounding that meets all legislative and financial requirements.

WAY OF REDCLIFE

AR88963

May 1, 2017

His Worship Ernie Reimer Mayor Town of Redcliff PO Box 40 Redcliff AB TOJ 2P0

Dear Mayor Reimer,

Our government is committed to making life better for Albertans, and that means we need strong communities with the infrastructure and services that help deliver a high quality of life. We are also committed to working with you, our municipal partners, to ensure that happens.

Municipalities will continue to receive Municipal Sustainability Initiative (MSI) funding for the next two years, while we talk about the future of the program and ways we can support priority infrastructure in Alberta's communities.

In order to continue the flow of funding, an amending MSI Memorandum of Agreement will be sent to the Chief Administrative Officer of your municipality formally extending the program.

I look forward to continuing to work with you to support essential infrastructure for your residents.

Sincerely,

Hon. Shaye Anderson

Minister of Municipal Affairs

cc: Arlos Crofts, Municipal Manager, Town of Redcliff

# 2016 ANNUAL REPORT

**CHAIR'S MESSAGE** 

It is my pleasure to present the 2016 Annual Report for Shortgrass Library System. 2016 was a banner year for Shortgrass, as the Bibliographic Services Department accomplished a long-standing goal of completely eliminating the enormous backlog of materials. This was a huge accomplishment that illustrates perfectly the various service improvements that our organization has been making.

Throughout 2016, the Shortgrass office underwent renovations. New flooring and paint have refreshed the look of the building, while new furniture provides better opportunities for networking and productive interaction.

As always, the goal to improve services for member libraries and partner organizations remains at the forefront, while the changes to workflow, the facility and technology have been made to ensure our libraries are able to best serve their communities.

This was a productive and eventful year and we hope you enjoy this summary of our accomplishments for 2016.

**Dwight Kilpatrick** 

Chair, Shortgrass Library System Board of Trustees

Number of physical items in the collection

# KEY HAPPENINGS

During the summer, the library materials from the Gem Jubilee Library were added to the Shortgrass catalogue. The Gem Library is now a fully participating member library in Shortgrass Library System and we are pleased to have them on board!

Shortgrass partnered with community organizations and Alberta Tourism & Culture to offer two separate training events for library staff and board members: 3 Day Basic Facilitation Training in February and Board Leadership South in March. Both events were a great success, with participants from library organizations and other not-for-profit organizations learning together.

Continued improvement of workflows in the Bibliographic Services area has led to the elimination of the backlog and a significant improvement of turn-around times for all library materials cataloged and processed in our facility. Staff changes in 2016 saw former Processing Clerk Keltie take over the position of Technical Services Assistant - Acquisitions and Shelley join us in the Processing Clerk role.

Over the last half of the year, our second-ever German Exchange Student Intern, Luisa, joined the organization for a six month duration. During her internship, Luisa provided assistance on everything from conducting a training needs survey and presenting various training opportunities to member library staff, to assisting staff with statistical analysis and spreadsheets and beating Shortgrass staff members during raucous rounds of board games at break times.

# Register now https://s2slethbridge2017.eventbrite.com

The Alberta Riparian Habitat Management Society (Cows & Fish) and the Alberta Low Impact Development Partnership Society (ALIDP) invite you to attend our From Street to Stream ½-day workshop on Tuesday May 30, 2017 from 1 pm to 4 pm at the Lethbridge Public Library, Crossings Branch (255 Britannia Blvd West, Lethbridge AB, T1J 4A3).

This collaborative project will weave together the story of cause-and-effect between land development and real-estate features and actions at the lot and neighbourhood level through to outcomes, impacts, and remedial actions for our streams and riparian areas—taking you From Street to Stream.

Adding resiliency and ecological function to our landscape is about how we manage and use our watersheds. Areas next to waterbodies known as riparian areas, are critically important to improve water quality and biodiversity, adding natural water storage and increasing drought and flood resiliency. Coupled with improved management in the uplands, we can have a large impact on how water moves across the landscape, along with a suite of other benefits.

Cows and Fish has spent more than 20 years helping individuals and communities better understand and manage these floodplains, shores and banks. This workshop will share our experiences in riparian planning and policy, management and practical strategies to increase the health and function of these vital areas.

Add your expertise to the mix, by joining Cows and Fish and the ALIDP, as we share our experiences from working with communities and landowners across Alberta, from lake communities to urban centres,

Norine Ambrose

**Executive Director** 

Cows and Fish (Alberta Riparian Habitat

Moune ambrose

Management Society)

Creating communities that intrinsically minimize the impacts of extreme weather events and also protect water quantity and quality is at the heart of Low Impact Development (LID). For new construction, retrofit, and redevelopment, and from rural to ultra-urban contexts, there are appropriate measures to apply to buildings, yards, and public spaces that make a difference.

The ALIDP is a consortium of municipalities, land development industry consultants, non-profits and individuals who have come together to take an integrated approach to explore and share what practices are applicable to Alberta and how best to implement them. This past summer, the ALIDP travelled around Alberta and captured video at some 35 sites where sustainable stormwater practices have been implemented. This workshop will share insights from the best of these.

On behalf of the ALIDP, I extend a hearty invitation to you to take advantage of this learning opportunity and to add your own experiences to the conversation.

# Memo

To: Council

**From:** Director of Planning & Engineering

**Date:** May 23, 2017

**Re:** Westside Slope Failure Repair

The Planning & Engineering Department has completed the detailed design for this 2017 Capital Project and will be tendering the project shortly with the tender anticipated to close on June 8, 2017.

There are two slides that are being repaired under this project:

- the first slide is repairing a slide that an attempted fix was made on in 2015/2016 which has not worked and the hill continues to slide and is located behind 235 Jesmond Bay SW. The design consists of:
  - o installation of a gravel drain in the bottom of the coulee,
  - construction of a berm across the coulee to provide a mass at the toe of the slope to resist further sliding,
  - this berm has been designed to have a maximum top slope of 15% which is the maximum slope allowed for a trail. The option to install a trail across the top of the berm is an option but the decision has been deferred until after the berm has been built.
  - o The berm will require approximately 7,000 cubic metres of dirt to be hauled in.
  - The tender does not include any monies for landscaping as Town forces may elect to take this on or it will be contracted out under a separate tender.
- the second slide is located behind 501 Jesmond Drive SW. The design consists of:
  - o installation of a gravel drain in the bottom of the coulee,
  - o construction of a berm across the coulee to provide a mass at the toe of the slope to resist further sliding.
  - lowering the coulee nose to the west to reduce the chances of further slides,
  - o The berm will require approximately 4,000 cubic metres of dirt to be cut from the nose to the west and another 1,000 cubic metres hauled in.
  - The tender does not include any monies for landscaping as Town forces may elect to take this on or it will be contracted out under a separate tender.

Care has been taken in the designs to minimize the impact to the main coulee bottom. The contractor will be encouraged to start with the second slide as it poses the greatest safety risks. The project drawings are attached.

# Memo

To: Council

From: Director of Planning & Engineering

**Date:** May 23, 2017

**Re:** Riverview Road Improvements

The Planning & Engineering Department has completed the detailed design for this 2017 Capital Project and will be tendering the project shortly with the tender anticipated to close on June 8, 2017.

The design consists of:

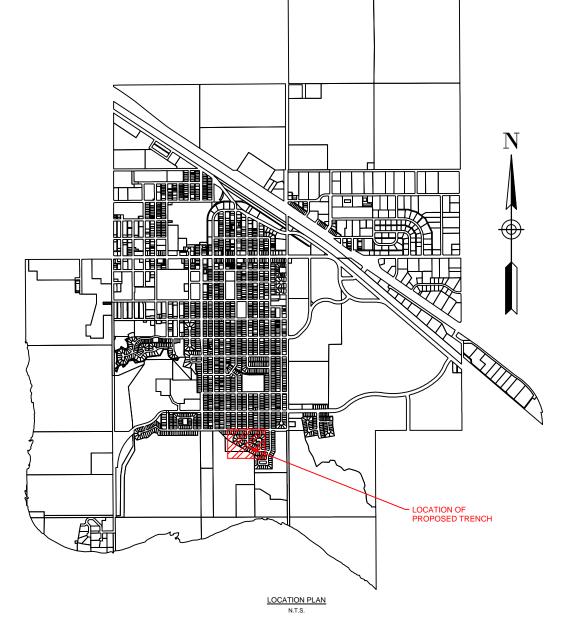

- installing weeping tile along the lip-of-gutter draining to the storm sewer system,
- mud-jacking, repair and replacement of sidewalks, curbs and gutters where required,
- milling the road surface in preparation for new asphalt top lift,
- · fixing road structural failures as required, and
- top lifting asphalt paving of the road.

The project drawings are attached.

## Memo

To: Council

**From:** Director of Planning & Engineering

**Date:** May 22, 2017

**Re:** Boundary Road (20<sup>th</sup> Street)

We have received the following information from AECON Transportation West with respect to construction activities on Boundary Road between Broadway Avenue and Industrial Drive.

Beginning on **May 23<sup>rd</sup>**, Aecon Transportation West (ATW) will be completing road construction work on West Boundary Road in your area. The project limits are on West Boundary Road SE, from Industrial Drive SE up to and including the Broadway Ave intersection.

As previously indicated, most businesses will not have their access affected by the construction, however there is a small number of businesses that will. Please note, ATW will ensure that at least one access to affected businesses is kept open to owners and public at all times during construction. Please see the attached updated notification letters that have been circulated to businesses in the area.

If you have questions as to whether or not your business is in the affected area, or if you would like any information regarding the construction itself, please do not hesitate to contact me at the numbers listed below.

#### Thanks,

Naz Zanidean Project Coordinator, Transportation West

Phone: 403 548 3961 Mobile: 587 448 0580

#### Municipal Manager Report to Council - May 23, 2017

#### **On-going Projects**

- Emphasis and focus continues to be expended with regard to assisting community groups for not only grant opportunities but with general assistance.
- Comprehensive Job Description review and updating continues. These have recently been all incorporated into a uniform and standard template.
- Responding to, in coordination with Planning and Engineering, developer inquiries as they arise.
- Preparation of draft strategic planning document is in progress.
- Working on, in coordinated effort with the CMH and Cypress County, initiating regional solid waste management feasibility study. Currently at the RFP creation phase.

#### Day to Day Responsibilities

- Legal file work continues to require large amounts of human resource capacity. This has slowed down completion and initiation of other projects.
- Council meeting preparation and RFD Review.
- Correspondence with CUPE regarding collective agreement and general labour relations.
- Assist with, and or, respond to media inquiries as they arise.
- Responding to citizen concerns as they arise.
- Planning Specialist through the Alberta Municipal Affairs Land-Use Planning Internship is now with the Town.
- April 25 and May 9 led bi-weekly post council department head meeting.
- April 26 Administrative Professional day appreciation.
- April 27 May 5 Assisted with Community and Protective Services requests as needed.
- May 3 Met with EDA executive director Theresa Hardiker to discuss branding opportunities that the Town can collaborate with the EDA on.
- May 3 attended a staff development training demo at Medicine Hat College as we are researching staff development options for Town staff (ie. customer service, dealing with stressful situations, etc.).
- May 8 attended an RFP scoping session with regard to Regional Waste Services
  Feasibility Study (Cypress County and CMH administrative representatives were also in
  attendance).
- May 11 met with Sgt. Maxwell to discuss some traffic issues within the Town.
- May 11(evening) attended the I.F. Cox parent council meeting to provide a presentation regarding intersection safety in and around schools. The group was appreciative of this presentation.
- May 15 Met with the EDA and Tourism Medicine Hat to discuss a regional opportunity of marketing the region's tourism (ie. creation of maps highlighting destination/camping and physical activities available within the region...with next year focusing on the various different community events).

 May 17-19 – in attendance at the annual general meeting and leadership workshop for the Society of Local Government Manager's.

#### **COMMUNITY & PROTECTIVE SERVICES**

#### **Parks and Recreation**

- Obtained a Canada Jobs grant for summer labour (approx. \$10,000).
- Working on kitchen redesign.
- Phase one of lighting replacement at Rec-tangle completed.
- Dethatching large parks and cemetery complete.
- Placed picnic tables at campground.
- Completed washroom repairs, cleaned campground washrooms, turned on water to building.
- Turned water on at ball diamond concessions, cleaned and prepared for use.
- Turned water on at Lions Park kitchen. Cleaned and prepared for use.
- Installed flag poles at town hall.
- Installed and spread gravel at campground on roadways and sites requiring gravel.
- Reassembled water park manifold at Lions Park.
- Completed building inspections.
- Attend RFP Conference in Edmonton.
- Painted electrical services and stall number posts at campground.
- Interviewed and hired summer students.
- Painted some interior locations at pool.
- Installed fittings for blowout improvement at East Side Park.
- Trimmed trees in most parks. Trimming program will continue through the summer.
- Groomed trails.
- Cleaned asphalt trail at river.
- River Valley Park water access upgrade supervision.
- Prepared ball diamonds for use. Instituted grooming schedule.
- Began starting park irrigation systems.
- Repaired leaks at Memorial Park.
- Continued gopher control program.
- Began painting and upgrades at Rec-tangle.
- Replaced furnaces for lobby and upstairs meeting area at Rec-tangle.
- Furnace replacement for dressing rooms is ongoing and will be completed by mid-June.

#### FCSS, Community Services and Special Events

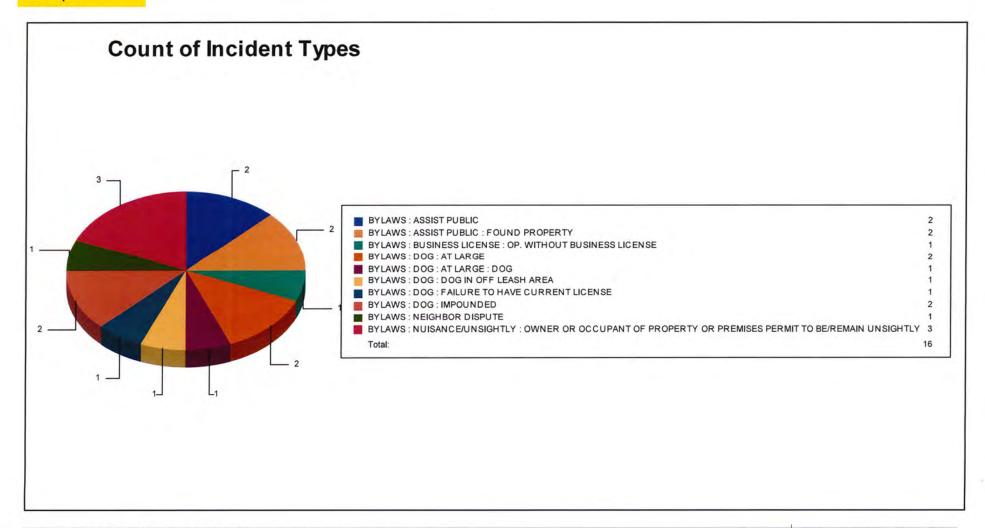

- Met with DREAMS coordinator, Heather regarding summer programming. Coordinated summer camp dates.
- Met with Rita Aman regarding Community Garden program, Redcliff FCSS has agreed to take the Redcliff Garden over.

- Attended New Horizon's Grant Writing Seminar April 25<sup>th</sup>. Application will be available mid-May, 2017.
- Attended a social media seminar.
- Continued planning of fall festival, including correspondence for parade participants.
- Launched the new, digital, interactive, Redcliff Community Programs and Events Guide on www.Redcliff.ca
- Coordinated Pitch-in Week April 22-29, 2017. This year pitch in week consisted of a Community Clean up and Doggy Waste Clean up.
- Hosted 30<sup>th</sup> Volunteer Celebration Dinner April 28, 2017.
- Arranged for FCSS Board Planning Session for June 7, 2017.

#### **Bylaw and Protective Services**

- Completed three fire inspections (2 public buildings, 1 RASY).
- Continuing with goffer control.
- Installed a computer mount in bylaw vehicle for more ergonomic use.
- Continuing with off leash training and education.
- Town of Redcliff received peace officer designation.
- Assisted Town Manager on compiling data for School request.
- Working with regional directors of emergency management during regional staff transition.
- · Arrange staff EOC training within the region.

#### **PUBLIC SERVICES**

#### **Water and Sewer Utilities**

#### **Utility Services have:**

- Been installing several radio reads for use with new meter reading equipment
- Completed sewer camera jobs as requested
- Flushing sewer mains
- Completed several locate requests
- Completed several curb stop repairs
- Completed water treatment daily duties
- Completed several sign on/offs
- Started Hydrant Flushing
- Repaired a pump that went down
- Finished meter Reading

#### **Municipal Works**

#### Municipal Works have:

- Been training on New Grader
- Been conducting garbage bin repairs with lid repairs
- Conducted various Funeral interments
- Replaced or repaired multiple signs around town
- Been blading gravel roads
- Been repairing softs spots around town
- Finished street sweeping
- Helped the mechanic with servicing of vehicles and minor repairs
- Hauled gravel to stock pile in yard
- Cut grass on municipal properties
- Excavated and repaired road blow out on 7<sup>th</sup> Street NW
- Installed weeping tile and sump pump on 7<sup>th</sup> Street NW
- Terminated service at 902 2<sup>nd</sup> Street SE
- Hauled garbage bins to landfill
- Cleaned off trails and worked on drainage
- Installed a new water service at 717 1<sup>st</sup> Street SE
- Started line painting
- Filled pot holes

#### Landfill

#### Landfill staff have:

- Been training new scale attendant
- Set up new metal recycling area

- Reviewed new safety manual
- Picked garbage inside landfill and in neighboring field after a wind event (on going)
- Cleaned the scales (on going)
- Hauled cover soil (on going)
- Had Ridgeline haul in soil
- Conducted repairs to the Aljon ( we have no support as company has gone under)
- Maintained roads inside landfill
- Been conducting equipment maintenance (on going)
- Started to build up ramp for new lift of garbage
- Cleaned out shop
- Had metal hauled away by PHF Metals
- Set up a small vehicle transfer station
- Initiated Bird Control at the Leachate Pond

#### **PLANNING & ENGINEERING:**

#### **Priorities:**

- Sanitary I&I Program
- Slope failure repairs
- Riverview Phase 1 Road Repairs
- 5<sup>th</sup> Avenue and 2<sup>nd</sup> Street Lift Station
- MDP, LUB and rebranding public outreach
- Staff meetings are being held each week on Monday afternoon.

#### Planning:

- Completion of the unfiled boxes of documents is underway using department admin staff.
- Updated the list of Land Use Bylaw issues that require addressing.
- New Agreements: Farwest requested a service agreement for 2014 SUB 02. Nothing has been heard from the developer.
- New Rock Development Agreement (Broadway Avenue Duplexes).
- Meadowlands Development Agreement (Burger King).

#### **Engineering:**

- Sewer System Bylaw review in progress.
- Off-site Levy Bylaw and Background Report: Calculations Bylaw has gone to Council for first reading.
- Inflow and Infiltration Study: On-going flow monitoring data capture in the NW lift station catchment area with the assistance of Public Service staff.
- Working on developing a public education and awareness program for the Town's Inflow and Infiltration.

- Pavement Management System: Note a Capital Budget was not approved for this task so the department will attempt to do what we can in house.
- Riverview Groundwater: Project is designed and is to be tendered in the next two weeks.

#### **Capital Projects:**

- Westside Slope failure mitigation: The new slide in the Westside area continues to move.
   Detailed design is nearly complete to fix this failure. Should be tendering in the next two weeks
- 3<sup>rd</sup> and 3<sup>rd</sup> Lift Station Upgrades: MPE is designing a storage tank for this lift station 90% design.
- Sanitary Sewer Improvements: Planning and Engineering have identified manholes to have lid pans installed in the next couple of months by the Public Services Department. We will also be purchasing some of the internal chimney seals to test them in manholes that are highly susceptible to water. The cost of the lid pans is approximately \$80.00 a piece and the internal chimney seals are about \$600.00 a piece. The graphic below was taken from a manufactures website. It gives an idea of what kind of reductions that could potentially be seen in I&I by installing their products. Pans and lids have been ordered.

Planning and Engineering has become aware of an elastomeric check valve that has no mechanical components and is designed to be installed in sanitary sewer mains. We are looking into acquiring a couple of the valves for installation in the sewer collection system to automatically allow for isolation of parts of the distribution system from other parts of the distribution system during peak wet weather flow.

#### FINANCE AND ADMINISTRATION

- 2017 Tax Notices were mailed out on May 18, 2017. The assessment appeal deadline is July 17, 2017.
- The assessment information for the properties within the Town is posted on the Town's website.
- Grant reporting for various projects has been submitted.
- 2017 MSI Operating grant application has been submitted.

#### **LEGISLATIVE & LAND SERVICES**

- Ongoing inquires re: land sales one sale in 2017 to date.
- Council agenda preparation & follow up. Department Head meetings pre/post meeting.
- Park Enterprises continues to work on closing the remaining open permits from 2007-2011. Two files remain open.
- Ongoing Legal File Review. Compiling Information as requested.
- Reviewing & preparation with regard to 2017 municipal election.
- Reviewing status of policies, procedures, bylaws and agreements.
- Ongoing conversion of minutes, bylaw and agreements to digital.

- Attended the Alberta Municipal Clerks Association Conference held April 26-28, 2017.
- Attended the Redcliff Cypress Regional Waste Management Authority meeting held May 3, 2017.
- The Administrative Clerk (STEP) Temporary Position has been hired and started May 11, 2017.

# MAYOR'S REPORT TO COUNCIL May 23, 2017

March 21, 2017 Attended and took part in Judging a CanStruction Project, sponsored by the Medicine Hat Food Bank.
