## WHAT TO EXPECT

This season, due to COVID-19, the RAC is following the Medical Officer of Health requirements for the safety of our staff and our customers.

- **Stay home** if you have a fever, cough, sore throat, runny nose, or shortness of breath or are a close contact of a person who tested positive for COVID-19
- The staff asks that everyone be respectful and **physically distance** your family cohort from others at the pool!
- If you can, come in your swimsuits, ready to swim, and leave in your swimsuit to reduce changeroom time.
- Please be respectful of our public swimming times. We want the most people possible to be able to enjoy our facility. *Time has been added between each set for people to clear the facility and for **cleaning** to occur.*

### Lessons must be booked online!

- Class sizes are at a reduced capacity to help with distancing.
- Some lessons this year require parents in the water! See online portal for details.

**Passes & rentals can be purchased at the pool.**
