

# Redcliff Skatepark

## VOLUNTEER FORM

### Introduction

The Town of Redcliff is seeking interested members of the public to participate in the skatepark project. Skatepark volunteers will be involved with activities such as: providing input and ideas towards skatepark design, assisting with grant applications, and soliciting community support and sponsorship. You do not necessarily need to be a skateboarder or have previous skateboard experience to be a volunteer.

We are looking for people passionate about building community who are willing to help out with events and tasks as they may arise throughout the project. Commitment level can vary widely, from one event, to many events and tasks. Every bit counts in making this project a reality! Volunteering is open to everyone and is not exclusive to Redcliff residents. If you are under 16, you will need parental consent to fill out the volunteer form.
